## Nature Reporter: The Battle Against Pollution! 🎤 🌿

**Instructions:** You are a famous reporter for the *Green Planet News*. You are traveling with Laly Llama to a place that has a "trash problem." Your mission is to write a report to inspire everyone to stop pollution!

### 1. The Investigation

*Where are you reporting from? Choose one location and identify the problem:*

- **Location:** (The Beach / The Forest / The River) \_\_\_\_\_
- **The Problem:** "I see **p**\_\_\_\_\_ (pollution) because people left trash on the ground. This is dangerous for the **a**\_\_\_\_\_ (animals) that live here."

### 2. Scientific Fact Check

*Why is it important to put trash in its place?* "When we keep the Earth clean, we protect the **s**\_\_\_\_\_ (soil) where plants grow and the **w**\_\_\_\_\_ (water) we drink."

### 3. Creative Writing: My News Report

*Write your final report. Use at least 3 "Hero Words" from the list.*

**Hero Words:** *Environment - Dangerous - Protect - Balance - Future*

"This is **(Your Name)** reporting live for Green Planet News! Laly Llama and I are shocked to see trash in this beautiful \_\_\_\_\_.

We found plastic and papers that don't belong here. This is very \_\_\_\_\_ because nature needs a perfect \_\_\_\_\_ to stay healthy.

We have a message for the world: Don't let your trash travel! Always use a bin to \_\_\_\_\_ our home. If we work together today, we will have a green and beautiful \_\_\_\_\_. Back to you in the studio!"
