

The Magic Seat of Kindness 🚌

Empathy is a super shark... no, it is a super heart! It means thinking about how others feel. Imagine you are on a bus, and you see a grandma standing up, or a person who is tired and needs help. Your seat can become a **Magic Seat of Kindness!**

When you give your seat to an older person, a pregnant lady, or someone who finds it hard to stand, you are a hero. You make them feel safe and happy. It is a small step, but it shares a lot of love. Kindness makes the world a better place for everyone. Be a friend to all!
